

Health Guarantee/Contract

Your new puppy comes with a one-year health guarantee, vet checked, current vaccinations, deworming's (as needed), and a week's supply of their current food to be used to mix with the food you will be using until it's gone. When you purchase a puppy, you agree (and sign) that you read ALL the paragraphs below and understand and agree to everything within this document...

1) All of our puppies are guaranteed to be in good health and free from visible signs of infection and contagious or communicable diseases when purchased. We guarantee the puppy to be free of any life-threatening congenital defects for one year from the date of birth.

2) A licensed veterinarian must examine your puppy within 72 hours of delivery. If your puppy, in the opinion of both veterinarians (buyers and sellers), has any physical problems considered to be life-threatening, we will provide you with a healthy replacement puppy of equal value.

If the purchaser decides not to return a puppy that has a problem that is covered by our guarantee, this does not mean you forfeit your guarantee. We may reimburse a portion of the purchase price, allowing you to keep the puppy. This will be at our discretion. This amount will not exceed one-third of the purchase price.

NOTE: There is NO guarantee against hypoglycemia, coccidiosis, parasites, and viral or bacterial infections. There are certain disorders that may be caused by environmental factors, for example: allergies, thyroid dysfunction, and demodectic mange that are not covered by this guarantee. No joint problems are covered; this includes hips, knees, or any other joints. Buyer must research the breed and understand that the conformation of the breed invites certain problems. Short, stocky builds promote these joint problems. The wrinkles in the skin promote irritation problems. Wrinkles may also promote eye problems. None of these are covered. An overweight bulldog can also lead to health issues.

Freeman's TCB English Bulldogs agrees to take back any dog/puppy (with all necessary paperwork), at any time after the warranty expires, at no cost to Freeman's TCB English Bulldogs, if the new owner is unable to keep it (However, we may assist in shipping charges). This will ensure that the dog/puppy's future welfare is not jeopardized by being in a home where it is not wanted or placed in a shelter.

Should the puppy die of a birth defect within one year, we will provide a replacement puppy. To qualify for this guarantee, you must have kept the puppy under the care of a licensed veterinarian. The care must include all vaccinations recommended by the veterinarian. To make a claim, you must bring a signed certificate from the veterinarian stating the cause of death and a copy of ALL of your puppy's health records. This must include an autopsy and laboratory report.

Any dispute or litigation concerning this health guarantee that cannot be settled by Freeman's TCB English Bulldogs and the new owner must be settled in Jackson County, Florida. This is only to protect us against fraud and con artists.

Our puppies are sold as PET QUALITY puppies. We do not guarantee your puppy to be able to sire or whelp puppies. There is NO guarantee on the color or size of this puppy now or as an adult.

We recommend that you purchase Health Insurance for your pet. Make sure you understand what your insurance covers. It would be best if you involve your vet in the selection of a policy. He/She could best advise you on what coverage you would likely need for an English Bulldog. Having insurance would ensure that you could give your dog the care it needs immediately.

Thank you for purchasing a puppy from us. It is our desire that you and your new bulldog puppy will spend many years of companionship together.

****NOTE: Buyer is aware that English Bulldogs are prone to heat stroke and will be responsible in providing an environment that is healthy for their puppy.**

****NOTE: As much as you would like to show off your new puppy to family and friends, please do not take your puppy into public places, unless absolutely necessary, until the puppy has had all of its vaccinations (as recommended by your veterinarian) to insure immunity against disease.**

PLEASE NOTE THAT IF YOU PURCHASE A PUPPY FROM US WITHOUT RETURNING THIS CONTRACT/SALES AGREEMENT within 30 days of receiving your puppy; YOUR HEALTH GUARANTEE IS NULL AND VOID AND SOLD AS IS. WE WILL NOT GUARANTEE THE HEALTH OF YOUR PUPPY. THIS CONTRACT IS PUT IN PLACE TO MAKE A HAPPY TRANSACTION BETWEEN BUYER AND SELLER.. EVERY CUSTOMER IS SENT THIS CONTRACT WHEN THEY PURCHASE A FREEMAN'S TCB ENGLISH BULLDOG.
